## OIG Certification Memo

OIG has reviewed the investigation for case number 2022OPA-0035. The investigation is certified as thorough, timely, and objective.

OIG appreciates the additional work OPA conducted on this case. Also, a gentle reminder that, while OIG was able to accommodate getting this case back to OPA with such short notice, it is generally not practicable for OIG to fulfill a request to return a case to OPA the day after receiving it.

Respectfully,
