Re: OIG Expedited Investigation Certification for 2022OPA-0394

OIG EXP INV Certification Memo

OIG has reviewed the expedited investigation request for case 2022OPA-0394. The investigation is certified as thorough, timely, and objective.

That said, while reviewing 2022OPA-0394, OIG identified the 5-day notice was sent approximately ten business days after the original date of complaint. OIG requests OPA adhere to the 5-day notice in the future, though we recognize the unique circumstances of this case as applicable policies and employees were not yet identified. Additionally, in the future OIG requests our office be provided ten days for reviews of OPA cases.

Respectfully,

Payton Schenck
