Partial Certification Memo

OIG has reviewed the investigation for case 2022OPA-0274. We appreciate OPA's efforts to address our concerns in our previous requests for additional investigation. That said, we can certify this case as thorough and objective. However, OPA did not send Named Employees a notice of receipt of complaint within five days, as is required by the Named Employees' Collective Bargaining Agreement.

Accordingly, OIG can certify this case as thorough and objective, but not timely.

Respectfully,

Payton Schenck
