Re: OIG Expedited Investigation Certification for 2024OPA-0210

OIG EXP INV Certification Memo

OIG has reviewed the expedited investigation request for case 2024OPA-0210. The investigation is certified as thorough, timely, and objective. While this case is fully certified, OIG notes the case involves two unrelated incidents which have been combined under one case number. In the future, OIG will require that cases that involve separate incidents be given separate case numbers to ensure accurate tracking of case deadlines and additional clarity in instances where part of a case needs further investigation.

Respectfully,

Payton Schenck
