OIG Full Certification Memo with Note(s)

OIG has reviewed the investigation for case number 2025OPA-0116. The investigation is certified as thorough, timely, and objective.

NOTE: During interview(s) SPOG pointed out OPA added 3 additional Named Employees to the original case as opposed to opening a new case as required by the CBA. A separate case should have been opened to address the allegations related to the 3 sergeants added to the original complaint.

OPA should also ensure NE interview transcripts are uploaded into IAPro upon receipt.

Respectfully,

Mary Prang
