

# 16<sup>th</sup> AVENUE SKYBRIDGE

Swedish Medical Center  
Cherry Hill Campus

# HOSPITAL SKYBRIDGES

---

- Hospitals are different from other skybridge owners
- As large institutions, hospitals cover multiple blocks with intervening streets
- Skybridges needed for ease of access for disabled and elderly
- Hospitals provide public benefits

# 16<sup>th</sup> Ave. Skybridge

# 16<sup>th</sup> Ave. Skybridge

# 16<sup>th</sup> Ave. Skybridge

# 16<sup>th</sup> Ave. Skybridge

---

- Hospital and garage designed on assumption that skybridge would exist; skybridge connects to hospital main corridor
