AN ORDINANCE relating to land use and zoning; amending the Official Land Use Map, SMC 23.32.016, at pages 118 and 119 to rezone land in the 23rd & Union-Jackson Residential Urban Village; amending Section 23.47A.009 of the Seattle Municipal Code to adopt development standards for certain properties in the 23rd & Union-Jackson Residential Urban Village.

WHEREAS, Seattle maintains a commitment to a true partnership between neighborhoods and government in building innovative planning structures, visionary neighborhood plans and effective Action Plans; and

WHEREAS, in 1998, the City Council recognized the Central Area Neighborhood Plan; and

WHEREAS, the Central Area has a long history of welcoming people with different backgrounds and is centrally located neighborhood whose community is an inclusive multicultural fabric, and

WHEREAS, Central Area is the historic home of the African American Community in Seattle, the Black/African American population within the Central Area 23rd Ave. @ S Jackson-Union Village declined from 64% in 1990 to 28% in 2010, while the White population increased from 16% to 44% in the same time period (census data); and

WHEREAS, from early 2013 through 2014, the Department of Planning and Development (DPD) and Department of Neighborhoods (DON) conducted significant public outreach, including to historically underrepresented communities, in the Central Area; and

WHEREAS, over 2,000 community members representing a cross section of the Central Area residents, business owners and stakeholders played an integral role in the planning process, as evidenced by 93 workshops and meetings that resulted in the creation of the 23rd Ave Action Plan (Union-Cherry-Jackson), the 23rd Ave (Union – Cherry – Jackson) Urban Design Framework, and proposed rezones for these three community nodes that reflect the visions of the Comprehensive Plan Central Area Neighborhood Planning Element; and

WHEREAS, on September 27, 2014, over 1,000 diverse community members, including those who continue to call the Central Area home even though they may now live elsewhere, returned to attend the Central Area Block Party and provide feedback on the 23rd Ave Action Plan (Union-Cherry-Jackson), Urban Design Framework (UDF) and proposed rezones; and
WHEREAS, the community has demonstrated an on-going commitment to the 23rd Ave Action Plan (Union-Cherry-Jackson) as indicated by the 23rd Avenue Action Community Team (ACT), a community group who include the multiple interests and voices of the Central Area and who have been working together over the last two years to guide and lead the implementation of the Comprehensive Plan and visions of the Action Plan;

WHEREAS on April 28, 2014, the City Council passed Ordinance 124458 amending the Seattle Comprehensive Plan to incorporate changes to the goals and policies in the Central Area Neighborhood Planning Element and the changes to the Future Land Use Map that were developed during the planning process of the 23rd Ave Action Plan (Union-Cherry-Jackson).

WHEREAS on XXXX, 2015, the City Council passed Ordinance XXXXXXX amending the Seattle Comprehensive Plan to incorporate additional changes to the goals and policies in the Central Area Neighborhood Planning Element and the Future Land Use Map which when combined with the 2014 Comprehensive Plan amendments reflect the overall community vision for the 23rd Ave community nodes at Union, Cherry and Jackson, and the Central Area; and

WHEREAS on May 11, 2015, the City Council passed Ordinance 124770 adding a Pedestrian designation along S. Jackson St. from 22nd Ave. S. to M. L. King Jr. Way S. which reflect the overall community vision for the 23rd Ave and Jackson node; and

WHEREAS the Council finds that the proposed rezone meets the Land Use Code rezone criteria contained in Chapter 23.34, Amendments to Official Land Use Map (Rezones), as described in the DPD Director’s Report for this legislation; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

1. Setback Requirements.
   
a. Along South Jackson Street property lines as shown on Map C for 23.47A.009, a minimum upper level setback of 10 feet is required for all portions of a structure above a height of 45 feet as measured from average sidewalk elevation.

b. Structures permitted in required setbacks are subject to 23.47A.009.G:

2. Maximum length of street facing facade. The maximum length of a facade that is parallel to South Jackson Street or 23rd Avenue is 250 feet. Setbacks or separation can be considered as a break in the maximum length of the street facing façade if:
   
a. A portion of the street-facing facade shall project or be recessed from abutting facade planes by a minimum depth of 15 feet and a minimum width of 15 feet; or

b. A separation with a minimum width of 15 feet between principal structures at any two points on different interior facades.

3. Pedestrian connection requirement. A proposal that includes new development between South Main Street and South King Street within 400 feet east of 23rd Ave S shall provide an improved north-south pedestrian connection on the block in which it is located, subject to the following requirements:
   
a. The connection may be located to adjoin existing right-of-way with a minimum width of 6 feet. The connection is not required to bisect a project site, but may be located on the perimeter of the site.

b. The connection shall be located within the block (including adjoining right-of-way) between S. Main Street and S. King Street on which the development is proposed and should make provision for connection to the adjoining block, either north or south, on which the connection would be intended to continue.

c. The connection shall include at least one of the following: entries to retail stores; seating areas for pedestrians; street furniture; art; bicycle parking; landscaping; pedestrian scale lighting; water features; overhead weather protection.

d. The connection may be located between structures, or may be located in a parking area if the pedestrian area is separated from the parking area.

G. Structures permitted in required setback and separation areas are as follows:
1. In West Seattle Junction Hub Urban Village, Roosevelt Urban Village, 23rd and Union node of the 23rd & Union-Jackson Residential Urban Village, and 23rd and Jackson node of the 23rd & Union-Jackson Residential Urban Village, permitted structures include:

   a. Balconies and decks with open railings may project up to 5 feet into the required setback area if they are no lower than 20 feet above existing or finished grade. Decks may cover no more than 20 percent of the total setback area.

   b. Stoops or porches providing direct access to individual housing units may project up to 5 feet into the required ground level setback area, except that portions of stoops or porches not more than 2.5 feet in height from existing or finished grade, whichever is lower, may extend to a street lot line. The 2.5 foot height limit for stoops or porches does not apply to guard rails or hand rails. Such stoops or porches shall cover no more than 20 percent of the total ground level setback area.

   c. Eaves, cornices, fireplaces, chimneys, and gutters may project no more than 18 inches into the setback.

   d. Ramps or other devices necessary for access for the disabled and elderly that meet Seattle Building Code, Chapter 11.

   e. Stairs or ramps to accommodate changes in grade.

   f. Underground structures.

2. In addition to subsection 23.47A.009.((F))G.1, in Roosevelt Urban Village, fences no greater than 4 feet in height are permitted in the required ground level setback, and up to 2 feet of additional height for architectural features such as arbors or trellises on the top of a fence is permitted. Fence height may be averaged along sloping grades for each 4 foot long segment of the fence, but in no case may any portion of the fence exceed 6 feet in height.

3. In addition to subsection 23.47A.009.((F))G.1, in West Seattle Junction Hub Urban Village, unenclosed porches or steps for residential units no higher than 4 feet above the grade at the street lot line closest to the porch are permitted.

Section 3. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.
