- Education
- ? them park
- Pride
- Grocery stores
- All ages venue
- Light rail
 - Shuttle to Rainier Valley
- Sports day
- Community gardens – more fruit trees
- Organic veggies/fruit
- More community events
- Sidewalks
- Drainage
- Moratorium on ECA (environmentally critical areas) development

Let's Work on ...

- Puget Blvd. Park is underused. Playground doesn't get used. Need play features for kids under 8 years old.
- Puget Blvd Park: "Use-less" park. Children's equipment – no one knows how to use it. Becoming a hangout for loiterers.
- 26th Ave SW: Our cars have been hit due to speeding cars – traffic calming
- Delridge Way: Cars parked too close to the corners; obstructs view; can't see when turning left (Delridge Community Center)
- Delridge Community Center: Crosswalk, but dangerous
- Delridge Way: Increase density – more stores; more people; more transit
- Delridge Way: make it a more pleasant walking environment.
- More marked crosswalks at the long blocks
- We need more groceries available in the Delridge area.
- 22nd & Delridge: Scary corner, bike safety and walkers
- People have been working on restoration along the greenbelt
- Delridge & Sylvan Way: Hard to see bicycles when turning right
- "Alley floods"
- Between 23rd & 24th Ave. SW: Flooding Areas
