**Examination Results for**  
**FIREBOAT ENGINEER PROMOTIONAL (#F440-06-2023)**  
**Register will expire on December 15, 2025**

The following candidates are listed in grade order, reflecting their relative standing as of the effective date of the register. Relative standing is subject to change during the life of a register due to changes in availability of eligibles for various positions and similar considerations. Therefore, this list does not necessarily reflect order of certification to fill vacancies, which will be made in accordance with provisions of SMC 4.08 and Public Safety Civil Service (PSCS) Rules 10 and 11. In addition, Veteran’s Preference points may be awarded during the life of the register and a candidate’s score may be updated, as outlined in RCW 41.04.010 and PSCS Rule 9.17. In accordance with PSCS Rules, this promotional register will expire when a subsequent list is posted on December 15, 2025.

**DE = Delayed Eligibility**

Please note: For the rank of Fireboat Engineer, delayed eligibility is calculated with two factors per the Classification Specification. To be eligibility for promotion, a candidate must:

1. Be currently assigned to the Seattle Fireboats for a minimum of three years; and
2. Have no less than 135 shifts worked on the Seattle Fireboats.

Therefore, delayed eligibility dates are estimated, and may change during the life of this Register.
