Clean Cities Emphasis Areas

- Myrtle Edwards Park: 7/1. Volunteer Coordinator Junior Kitona brought tools, vests, and other supplies to the project. Five volunteers arrived and were eager to work. Downtown Sr. Gardner Julius RayRay started the group off by demonstrating how to properly prune dead branches from trees. The group removed weeds, pruned dead and low hanging branches from strawberry trees and cut new volunteer suckers. The team spread mulch for weed suppression in the shrub beds. The district removed the brush generated from the volunteer project.
