

Clean Cities Community Clean Teams Weekly Report

January 13, 2022

Reporting Week December 27 through January 9

Week in Review

Due to the holiday and snow & ice response, SDOT Clean Cities crew had not done any assignments during the reporting weeks. Parks Clean Cities resources postponed the Jamboree emphasis areas due to inclement weather. This report covers the information for the last two weeks. The following summary includes Clean Cities work accomplished by Parks and SDOT Clean Cities Crews.

By the Numbers:

- Trash mitigation completed at 24 locations by Parks crews
- 3,474 needles collected by Parks Crews
- 26,860 lbs. trash collected via Community Clean Teams
- 178 tents counted onsite

SE: International District and I-5 Emphasis Area

SE: Little Saigon

The Crews will be doing litter picks, trash mitigation; any Bio- Hazard removal that may be required, and related grounds maintenance work. Crews will also be providing maintenance and cleaning efforts both in and around these parks. Field inspections and cleaning of right of way areas will include stairways, multi-use paths, streets, and sidewalks in the immediate vicinity of these parks.
