# RAIN TANKS

205 Gallons

530 Gallons

Is a rain barrel just not enough storage space for your storm water? Is linking several rain barrels together too difficult?

We have the answer for you. **Rain Tanks!**

Take your water storage to a whole new level.

These tanks may qualify for rebates if you install a rain garden in designated neighborhoods for the City's RainWise program.

We sell 205 and 530 gallon Bushman rain tanks made in the US of food grade plastic in both green and brick colors. Fitting kits for installation are also available. Delivery is available inside the Seattle city limits.

**Give us a call at  
206-684-0190**

We will be happy to answer any questions that you have or sell you a rain tank.

You may also stop by our offices Monday to Friday from 8am to 3:30pm.

We are located inside Magnuson Park at
