CAMP PROCEDURE

MEDICATION AUTHORIZATION

If your child takes medication:

- A doctor's signature is mandatory on the Camper Information Form
- Our nurses are legally required to administer medication from the ORIGINAL prescription bottle
- Do not pre-package your child's medication
- ALL medications will be administered from the original pill / liquid medication bottle

NOTE: We will not be able to store medication between sessions.

We will try our best to ensure a nurse is at every session of camp. If there are weeks without a nurse, we will be sure to reach out to families that take medications while at camp to develop an alternative plan.

It will be important for you and your child to:

Check in with the nurse on the first day of camp in order to update the medical information, and drop off any medication.

You will also need to check out with the nurse at the end of camp and pick up any unused medication

Supervision: As our child-to-staff ratio is 4 to 1, we are unable to provide one-on-one supervision. Please provide an aide to accompany your child if they require one-on-one supervision.
