

Help Design Your New Park!

Thank you for participating in the survey for the future park at 1125 Harvard Ave. E! The community is as excited as we are for this new park and over 600 people participated in the survey.

Almost half of you have never had the opportunity to see the site yourself and we invite you to join us onsite for the kick-off design meeting.

As good listeners and stewards of this future park site we want to reflect what we've heard from you through the survey, provide background on the project and gather more design input from the community during this upcoming Open House.

Please Join Us!
