

# 100 % CONSTRUCTION DOCUMENT PLAN (Current)

## Legend

- |    |  |    |   |
|----|--|----|---|
| 1  | Picnic Table                                     | 14 | Trash and Recycling                         |
| 2  | Embankment Slide                                 | 15 | New Planting Area                           |
| 3  | Hillside Loops                                   | 16 | Non-Infiltrating Path                       |
| 4  | Abacus Play Element                              | 17 | End Wall for Helix Memorial Bench by Others |
| 5  | Crushed Rock Path                                |    |   |
| 6  | Existing Wall(s) to Remain                       |    |   |
| 7  | Play Surfacing                                   |    |   |
| 8  | Concrete Seat Wall                               |    |   |
| 9  | Existing Stairs                                  |    |   |
| 10 | Bench Seating                                    |    |   |
| 11 | Existing Artwork (retrofitted)                   |    |   |
| 12 | ADA Accessible Ramp with Rails                   |    |   |
| 13 | Gravel Maintenance Parking w/ Removable Bollards |    |   |

## Concept Goals:

- **remove** invasive weeds and replace with **attractive** and **low maintenance** plantings
- **activate** the park throughout the day
- provide opportunities for **diverse ages and groups** to use the park
- connect to the **character** and context of Fremont community
- improve **connection** to the library and **presence** on the street
- create an **accessible** connection between N 35th Street and Library
