

My dream for this park is... (direct responses as noted by CR)

“a place to take dogs”

“lighting to make it safe”

“open grass space”

“to provide garbage cans”

“bathrooms”

“places to sit”

“regular swing set”

“move basketball court away from SHA to the south of the site – noisy, unwanted activity”

“grading is crucial – make sure site is visible from street”

“net climber is unique to this area”

“limit areas where homeless can camp out/sleep”

“separating gather and play space is better”

“will there be handicap parking?”

“there needs to be activities for all ages – grow with the park”

“xylophone” “chess boards for older generation” “things for the elderly”

“gazebo or at least a shade structure”

“please name the park Lake City Park”

“flowers to attract bees”

“safe access to park is key – how will kids get there safely?”

“power source for audio, performances, etc?”

“Futsal (Cruyff Courts) – for kids that play soccer. Would be unique to this area. Cruyff Foundation may provide funding” “soccer features”

“is this where the skate park is being built?”

“solve the homeless issue”

“your providing the people who use the site already with more space – it’s going to be a disaster”

“adult fitness”

“place to do Tai Chi”

“gather area close to street”

“make sure street vegetation is low growing”

“are you going to fix the sidewalks?”

“there are lots of needles – hard surfaces”

“guide people towards or away from different spaces (play areas) – barrier planting, see-through fence, bollards, etc.”

“signage – enforce positive activities (guardian)”

“are food banks going to be involved with the community garden?”

“fruit trees are great!” “what type of fruit trees?” “the cherry trees by the library do great”

“durable play equipment – hard to vandalize”

“aren’t you worried about bikes being stolen?”
