

PLAN TOGETHER!

RAINIER COMMUNITY CENTER PLAY AREA

Seattle Parks and Recreation invites YOU to help envision the play area next to Rainier Community Center, 4600 38th Ave S., in Genesee Park!

The existing play area needs to be replaced and we need your input on what you love about it, what's missing, and how we can best represent the community's history, culture, and aspirations within the play area space. By mid-August, after hearing from the community, our design team will develop three options that reflect the community's priorities for this future play area.

MEET OUR TEAM AT ONE OF THE LOCATIONS BELOW!

- **SAT, JUNE 24, 11AM-2PM** at Rainier Community Center Play Area - Just south of S. Conover Way & 39th Ave. S.
- **WED, JUNE 28, 3-7PM** at Columbia City Farmers Market
- **THURS, JUNE 29, 10AM-1PM** at Seattle Public Library - Columbia Branch
