

REVIEW TOGETHER!

RAINIER COMMUNITY CENTER PLAY AREA

Seattle Parks and Recreation invites YOU to review design options for Rainier Community Center Play Area in Genesee Park.

Thank you to everyone who has contributed project ideas! Over 200 people gave us early input to jumpstart the design process for the play area renovation. We are listening and heard from you about the importance of different types of play area equipment, sand play, gathering spaces, and trees!

PLEASE JOIN US!

WEDNESDAY, AUGUST 23

5:30 – 8:30 P.M., PRESENTATION AT 6:00 P.M.

Rainier Community Center, 4600 38th Ave. S, Seattle, WA 98118

FOR MORE INFORMATION PLEASE VISIT:

If you have questions about the project or if you need an interpreter or accommodations, please contact: Pamela Kliment at Pamela.Kliment@seattle.gov
