SOUNDVIEW PLAYFIELD RENOVATION

Seattle Parks and Recreation is renovating Soundview Playfield, 1590 NW 90th St., Seattle, WA 98117. Please join Seattle Parks and Recreation's Planner, Project Manager and BRCA Design consultants to view and provide comments on the final design for the playfield.

The project will include installation of synthetic field surfacing, the addition of lighting, access improvements that meet the American with Disabilities Act, and other site enhancements. These upgrades will address recreational demands and repair field drainage issues.

Seattle Parks and Recreation is investing in state of the art synthetic turf systems that provide safe, playable, and durable fields. Additionally, we are investing in high quality energy-efficient field lighting which minimizes spill light and glare off the field while providing recreation light on the field.

We will provide light refreshments and activities for children at the meeting. All are encouraged to attend and participate. The meeting will be held open house style so please
