Scheduling a Picnic in Seattle Parks

Picnic Season: April through March Annually

Making a Reservation:

Lottery Applications (Email (preferred) or U.S. Mail)

Applications for the upcoming season are accepted first day of **January through the last day of February**. Beginning the 1st business day of March, applications will be processed randomly.

Applications received between March-December

We will process applications in the order received.

In Addition

We strongly recommend choosing six (6) dates and locations in case your first choice is not available.

- Do NOT submit duplicate requests or ask for status updates.
- · We will contact you if your selections are not available.

Catering & Special Equipment Requirements

If you secure a caterer or vendor to provide on-site services or equipment, **other fees and insurance will be required.** We define a caterer as a paid person or company that prepares, and/or serves food, or sets up equipment in a park. We define special equipment as an air-bouncer, an inflatable structure, laser tag/gaming equipment rented from or provided by a licensed business, or a canopy larger than 400 square feet, etc. All air-bounce/inflatable equipment will need a generator for power. **Seattle Parks & Recreation (SPR) does not provide electricity**.

- Requests and all changes must be made at least 14 days in advance of your picnic.
- All vehicles need to remain in designated parking lot and park on a first-come, first-served basis. Roping or coning off parking spaces is not allowed.

Online Picnic Reservation Options:

New as of 2024, select picnic sites are reservable 5 days or more ahead of date, April-Oct. Online bookings are not considered 'standard booking's'. All bookings online are final, no exception or adjustments can be made. See locations highlighted in blue below for online options. All sites are reservable by application. No special equipment/requests are allowed.
