RECREATIONAL PROGRAMS

Adult & Senior Swim: This is a recreational lap swim period for adults 18 years and older. It is a great option for all skills walking or exercise. There will be four lanes for lap swimming. A double-wide lane for unstructured swimming and independent deep-water exercise.

Adult Shallow: Adult Shallow is time in the shallow pool set aside for recreational or fitness swimming for adults 18 or older.

Lap Swim: Lap Swim is a continuous lap swim for swimmers of all ages; we divide the lanes according to speed levels. Lap swim has 4 lap lanes and one double-wide lane.

Pool Playland: This is a recreational swim for swimmers of all ages. This swim is **shallow-end only**. Lifejackets and water toys are available for use. Children under 6 and those who do not meet our height requirement of 4 feet, must be accompanied into the water by an adult 18 years or older.

Recreation Swim: This recreation swim is fun for all ages. Large floats and inflatables are included with this

swim. Children under 6 and those who do not meet our height requirement of 4 feet, must be accompanied into the water by an adult 18 years or older. Swimmers under the age of 18 must successfully pass the swim test before accessing the deep end. This is a great time for float tests, too!

FITNESS PROGRAMS

Shallow Water Fitness: This 45-minute water exercise class taught in shallow water. Class is designed to build strength, flexibility, and cardiovascular fitness. No swimming ability required.

Deep Water Fitness: This 45-minute-deep water class is designed to build strength, flexibility, and cardiovascular fitness. Deep water comfort is required. Great music keeps you working hard!

Master Swim: Are you a lap swimmer looking for the next level in your work out? This swim is for you. Workouts are drafted each day to provide participants with guidance for their swim. If additional guidance is needed, feel free to consult with the aquatic team.

Coached Swim: A fitness swim providing written work outs for various ability levels. A lifeguard will be on deck to provide feedback on technique.
