Make Your Own Waste Station

Set up Recycle + Compost Stations at your Event!

1. **Choose Durable** plates, utensils and cups to reduce your waste.
2. **Print + Cut Out** out the labels.
3. **Apply** to separate bags, containers or bins.
4. **Set** in a convenient location.
5. **Toss** into your carts at home.

These labels will make it
easier to recycle and compost
when it's time to party!
