Dear SCERS Retiree,

SCERS is now accepting the IRS's updated W-4P tax form.

**Starting January 1, 2023**, old versions of the W-4P will no longer be accepted.

The IRS redesigned the form W-4P to help you calculate a tax withholding based on a more comprehensive look at your financial situation. Please consult a tax professional for questions and advice about withholding.

Please note: Only submit a new W-4P form if you want to change your withholding, otherwise your current withholding preferences will remain the same.

If you have any questions or concerns, please contact SCERS at (206) 386-1293 or email us at [retirecity@seattle.gov](mailto:retirecity@seattle.gov).

Thank you.
