[S] A101.4.1 Preliminary steps to request review by the Board of Appeals. Before requesting a review by the board of appeals, the applicant shall first explore resolution of the compliance problem by proposing modified Code requirements (Section 104.8) or alternative materials and methods (Section 104.9). Prior to requesting review, the applicant shall also discuss the particular compliance situation in depth with the following representatives of the Seattle Fire Department:

1. The appropriate inspector from the Fire Marshal's Office (FMO), the Fire Prevention Division of the Seattle Fire Department.
2. The FMO inspector's supervisor, if the matter cannot be resolved with the inspector.
3. The Fire Marshal, if the matter cannot be resolved with the supervisor.
4. If necessary, the Fire Chief, where agreement cannot be reached with the Fire Marshal.

After discussing the issue as detailed above, the applicant may then submit a written request for review by the board of appeals, addressed to the Fire Chief and sent to the Fire Marshal's attention, concisely stating the issues involved, the factual background, and the relevant section(s) of this code. The Fire Code Advisory Chair will determine if the applicant's request is within the scope of this code in consultation with the applicant and the Fire Marshal.

[S] A101.4.2 The appeal process. After the preliminary steps shown above have been pursued, and the applicant has submitted a written request for review by the board of appeals, the next steps in the appeals process, to be completed within the timelines detailed in Section A101.4.3, are as follows:

1. The Seattle Fire Department Technical Code Coordinator will notify the applicant when and where board of appeals meeting will occur.
2. Written statements and exhibits will be submitted to the Technical Code Coordinator from both the applicant and the Fire Department prior to the board of appeals meeting. These statements should include any relevant exhibits such as plans, as well as a list of any expert witnesses. The applicant and Fire Department must submit one copy of their respective statements and attachments for each board of appeals member, with an additional copy for the other party. The Technical Code Coordinator will deliver the copies to the respective parties.
3. The board of appeals will select its own chairperson. The applicant will make its presentation first, followed by the Fire Department. The applicant and the Fire Department should each be limited to 30 minutes for oral presentation, including questions from the board of appeals, unless the board of appeals Chair determines at the beginning of the meeting that more time is warranted. In any event, each party will be provided equal time to make its presentation to the board of appeals. Each party's oral presentation should address the factual background, the issues and the Seattle Fire Code sections involved. Each party may include design professionals or other persons in its presentation to the board of appeals.

4. The board of appeals may visit the site(s) involved in the compliance dispute, at the request of either the Fire Department or the applicant, or on the board of appeals's own initiative. The applicant shall make the site(s) available to the board of appeals for site visit(s). The site visit(s) will be scheduled through the Technical Code Development Director. No such site visit(s) will be made without a representative of both the Fire Department and the applicant present.
5. The board of appeals shall make its written recommendations concerning the particular compliance situation to the Fire Chief. A copy of the board of appeals's recommendations will also be provided to the applicant, the Fire Code Advisory Board (FCAB) Chair, and the other members of FCAB. A statement in the following form, signed by the appropriate officer, shall accompany each report:

This report has been submitted to ballot of the board of appeals which consists of five members, of whom _____ have voted affirmatively, _____ negatively, and _____ have not voted.

6. The board of appeals's recommendations are advisory only, and are not binding on the Seattle Fire Department.
