

Waxaa lagaa doonayaa in kormeer lagu sameeyo kuleyliyaha biyaha labadii sanaba mar.

Kuleyliyaha biyaha ee meelaha caamka ah sida makhaayadaha, baararka, naadiyada caafimaadka, xarumaha xanaanada iyo dugsiyada K-12, iyo kaniisadaha waxaa looga baahan yahay in la baaro labadii sano ee la soo dhaafay si loo ilaaliyo qof walba. Kuleyliyeyasha biyaha ee sida khaldan loo rakibay ama loo dayactiray waxay noqon karaan khatar dab, qarax, ama khataro kale. Kormeeradeenu waxay dadka ka dhigtaa badbaado anagoo hubinayna in la raacay koodh khuseeya.
