

## Permit Correction Response Letter with significant changes to development standards

- This form should be completed and submitted with a substantial change to development standards correction request for either a land use or construction permit application.
- This is not to be used in place of correction response plan set. For more information on how to respond to your corrections, please visit our online [guidance](#).
- If you're unsure you need to complete this form, please contact your Zoning or Ordinance Structural reviewer.

**Please describe the proposed changes. (Attach a separate document if you need more room):**

**This permit correction includes the following changes (please check all that apply to your proposed changes to assist SDCI in making sure the correct reviews are added to your application):**

### Land Use/Zoning Code

- Changes that require a new Type II Master Use Permit application (i.e. SEPA, Variance, ACU, SSDP, etc.)
- Changes related to new vesting date
- Changes to the development site
- Additional Structure(s)
- Changes required additional approvals (i.e. DON)
- Other (please describe) \_\_\_\_\_

### Ordinance/Structural

- Change in location of the structure
- Change in number of stories, height, or area
- Change in internal configuration
- Changes in occupancy or occupant load
- Changes to the structural design
- Changes to egress
- A totally new design
- Other (please describe) \_\_\_\_\_
