

# Neighborhood Street Fund 2022-2024 Cycle Project Selection

Levy Oversight Committee

November 1, 2022

# Agenda

1. Overview of 2022-2024 NSF Cycle
2. Preliminary LOC Ranking Results
3. LOC Discussion and Vote on Final Projects

# Overview of 2022-2024 NSF Cycle

The 2022-2024 cycle was modified to leverage the extensive and equity-focused outreach from previous cycle:

- Enabled reconsidering the large pool of unselected applications from the 2019-21 cycle
- Focused on projects located in geographic equity areas
- Worked with applicants to review original proposal and adjust scope as needed

## Schedule:

# Overview of 2022-2024 NSF Cycle

## Ask of LOC members:

- Review project candidates and make final project selection at your November meeting

## Schedule:

- **September 6:** Received project candidate packet and instructions for reviewing
- **By October 25:** Reviewed projects on your own and rank the projects online
- **November 1:** Review preliminary ranking results, discuss, and formally vote on a final ranking of projects and identification of projects that fit into the available budget of \$4M

# Overview of 2022-2024 NSF Cycle

## Next Steps:

- Design in 2023
- Construction by 2024
- Ongoing outreach with applicants and community

## Feedback on process?

Simon Blenski, NSF Program Manager: [simon.blenski@seattle.gov](mailto:simon.blenski@seattle.gov) or 206-741-2648

# Preliminary LOC Ranking Results

\*\*Not final project selection\*\*  
Results based on 9 LOC member survey responses
