“Riding a bicycle is a comfortable and integral part of daily life in Seattle for people of all ages and abilities.”

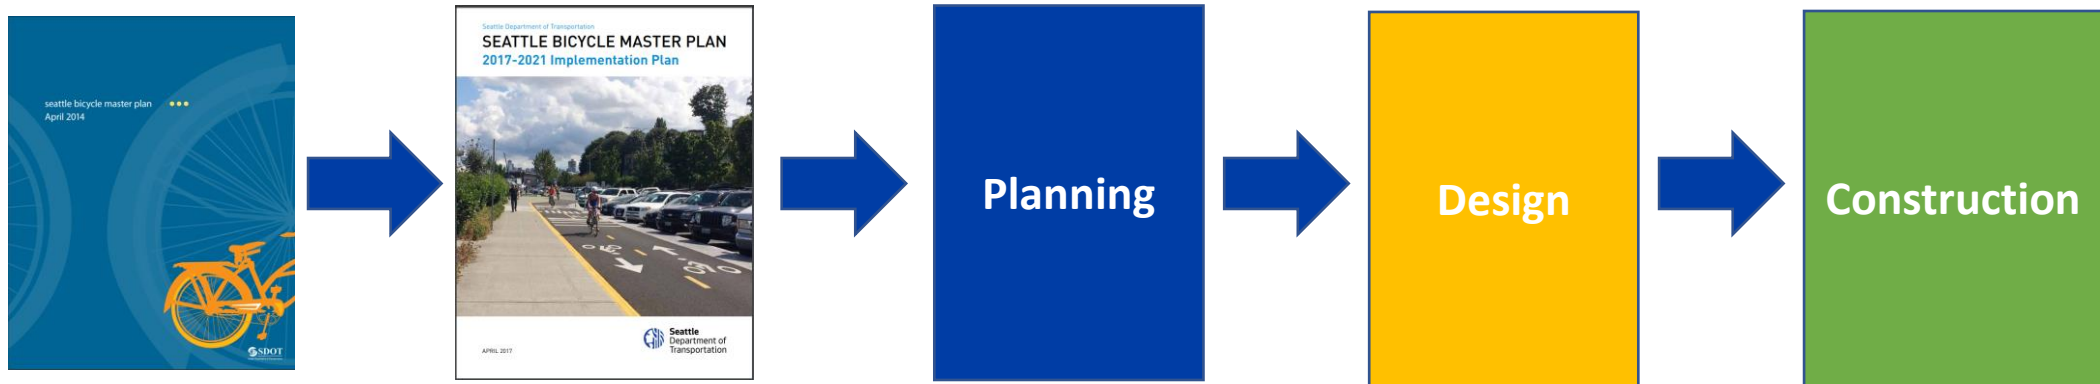

- 2014 Seattle Bicycle Master Plan

2014 Bicycle Master Plan

- **Ridership:** Increase the amount and mode share of the bicycle riding in Seattle for all trip purposes.
- **Safety:** Improve safety for bicycle riders
- **Connectivity:** Create a bicycle network that connects to places that people want to go, and provides a time-efficient travel option
- **Equity:** Provide equal bicycling access for all; through public engagement, program delivery, and capital investment
- **Livability:** Build vibrant and healthy communities by creating a welcoming environment for bicycling.
