Discussion

SFAB Members

Summary:

Discussion among Board Members indicated broad support to comment on the proposed Land Use changes, amendments to the proposed uses, and potential impacts of such legislation.

Please find below the Motion adopted yesterday by the Board.

(That the) Freight Advisory Board support efforts to strengthen the Manufacturing & Industrial Center to maximize maritime and industrial uses in support of the regional economy.

Further we affirm ourselves as stakeholders in the city council's Land Use Committee's related transportation resolution.

Dan McKisson, with help from Geri Poor, will draft and circulate for final approval a letter from the Board to council supporting the above motion. The letter should be circulated by July 11th and finalized by July 13th for submission to council immediately afterwards.

Announcements:

SFAB Liaison announced a tentative July 18th SFAB regular meeting topics of

- 15th Ave NW Project
- Alaskan Way Protected Bike Lane Project

Meeting adjourned 4:40pm
