V. PROCEDURES

- a. To remain in good standing as an official member, a board member must participate in a minimum of 6 (six) regularly scheduled meetings per each annual term. A member not in good standing is subject to replacement.
- b. The Seattle Pedestrian Advisory Board Chair, Vice-Chair, and Secretary shall be elected at each December meeting by a majority of all official members of the Board who vote, either in person or by e-mail, on individuals nominated at a regular meeting of the Board. Official Board nominations for the above positions will take place at the November meeting.
- c. The Board recognizes the need to appoint committees of Board members to enhance the effectiveness of its actions. Members of a committee shall be appointed by the Chair, who shall specify the committee's charge and time frame in which the committee will carry out its charge.
- d. All formal actions or decisions of the Board require approval by a majority of voting Board members in good standing, provided that a quorum of at least 50% of the official members are present or voting by e-mail. Whether voting by e-mail seems desirable will be determined by the Chair. If a motion at one meeting fails because of a lack of a quorum, at the Chair's discretion in the second absence of a quorum, a unanimous vote at the next meeting will

suffice to pass a measure provided 3 or more official Board members are present and voting.

- e. In the event of “emergency” actions or decisions, the Board can vote via phone and/or email, with the decision made within three days of the request for action. The action can move forward as soon as 50% of the Board responds with approval.
- f. All formal actions or decisions on advisory statements require a final draft to be sent to the entire Board. If formal action results in an advisory position, the advisory shall be signed by the author(s) and/or the Board Chair.
- g. Subject to section C., all meetings of the board will be conducted by the “simplified” Robert’s Rules of Order and shall be held in wheelchair-accessible locations.
- h. The agenda for any meeting shall be sent via e-mail (if possible) to all Board members and other interested parties and posted to a recognized web site at least 3 days in advance of the relevant meeting.
- i. All meetings of the Board shall be open to the public. Members of the public are welcome to speak at the beginning of the meeting, but will have no vote on actions or decisions of the Board. If time is short, the Chair may limit the time that any one member of public will be allowed to speak.
- j. The Open Public Meeting Act (Revised Code of Washington Chapter 42.30) (OPMA) has two primary requirements – that meetings be publicly announced in advance, and that they be open to the public. A board’s regular meeting time and place should be posted (for example, on the board’s website). The time and place of a special meeting (a meeting held at a different time or place), along with the agenda for that meeting, must be publicized by providing at least twenty-four hours advance notice. All meetings, regular and special, must be open to the public. Also, minutes of all meetings must be recorded and made available to the public.
- k. The Board will endeavor to have one member act as a liaison with the Seattle Bicycle Advisory Board and one member act as a liaison with the Seattle Freight Board. The Board may have other members act as liaisons with other city boards as needed. The Board Chair will act as liaison to the mayor’s office and the chair of the city council’s transportation committee.
- l. Copies of minutes of all Board meetings and actions taken by the Board will be kept on file in the office of the Liaison and available on the Seattle Pedestrian Advisory Board website.
- m. This document titled “Responsibilities, Policies, and Procedures” may be amended at any general Board meeting with 2/3 votes of a quorum.
- n. Remember, most e-mails that you send and receive that are related to city business, even on your personal computer, are subject to public disclosure.

VI. CONCLUSION

- a. Participation on a city of Seattle board is a very important community service and requires a significant commitment of time, energy and responsibility. Dynamic and successful boards and commissions are essential for the city of Seattle to carry out its work, and your energy and dedication will ensure this success.
