The Seattle Transit Advisory Board shall **advise** the City Council, the Mayor, and all departments and offices of the City **on matters related to transit** and the possible and actual impact of actions taken by the City upon all forms of public transportation.

The Board shall be provided the opportunity to comment and make recommendations on City policies, plans, and projects as they may relate to **transit capital improvements, transit mobility, and transit operations** throughout the City...

The Board shall help facilitate City policies, plans, and projects that support local and region-wide transit mobility efforts, to help **ensure a functioning and coordinated transit system** throughout the City and region.

The Board shall function as the **public oversight committee of revenues collected under Seattle Transportation Benefit District (STBD) Proposition 1**, as described in Resolution 12 of the STBD...

The Board shall make an annual report to the City Council on the status of its work program and the achievement of its goals.

City Council Resolution 31572

TAB Vision Statement:

We envision a Seattle with frequent, reliable, safe, inclusive, accessible, and affordable public transit.
