Transportation Projects Coming Near You!

The City of Seattle will soon be constructing several projects in your neighborhood. These projects will improve the network connection and keep walking and biking safe near Northgate Elementary School and Ingraham High School. Inside is a list of upcoming projects in your neighborhood, along with their estimated start dates for construction.

Neighborhood Greenway Project

Construction will begin as soon as Summer 2023 with completion planned in 2024, the Ashworth Ave N Neighborhood Greenway will enhance safe access for students walking and biking to school. The selected route connects Northgate Elementary School and Ingraham High School along Ashworth Ave N and N 120th St.
