

A Neighborhood Greenway is Coming to Your Neighborhood!

The **Adams Elementary Neighborhood Greenway** will provide a safer, calmer route to the places people want to go in the neighborhood and connect to the growing network of Neighborhood Greenways, trails, and protected bike lanes in Seattle. This Neighborhood Greenway will provide a safer, more comfortable route for people walking and biking to Adams Elementary School. The planned Neighborhood Greenway route also connects to the existing Neighborhood Greenway on NW 58th Ave.

WHAT IS A NEIGHBORHOOD GREENWAY?

Neighborhood Greenways are safer, calmer residential streets for you, your family, and neighbors. The Adams Elementary Neighborhood Greenway will include speed limit signs, speed humps or cushions, minor crack sealing and patch repair with asphalt, stop signs with stop bars on side streets intersecting the Neighborhood Greenway, tree trimming, sidewalk smoothing, and wayfinding signs and markings.

WHAT TO EXPECT DURING CONSTRUCTION:

Typical construction hours are weekdays, 7 AM to 5 PM, with occasional weekend and night work. Other expected construction effects may include:

- Noise, vibration, dust and debris
- “No Parking” areas and temporary driveway and parking impacts for construction staging near the work sites
- Crosswalk and sidewalk closures, and detours for people walking and biking
- Roadway closures and detours for vehicle traffic
- Changes in construction schedule due to unforeseen circumstances (i.e., weather, soil conditions, etc.)
