A NEIGHBORHOOD GREENWAY IS COMING TO YOUR NEIGHBORHOOD!

The following street improvements on 8th Ave NE from NE 83rd St to NE 103rd St will begin as soon as spring 2024:

- All-way stop signs with stop bars and crosswalks installed where NE 95th St and NE 96th St intersect 8th Ave NE
- Tree trimming if needed
- Speed humps and cushions to calm traffic
- Wayfinding signs and markings

We are excited to announce that we are **starting construction on the Olympic View Neighborhood Greenway on 8th Ave NE as soon as spring 2024!** We will be installing the Neighborhood Greenway in stages, starting this spring and finishing in 2024.

There will be “no parking” signs along this street due to construction of speed humps and staging. **Please move your vehicles during the “no parking” timeframes, otherwise they will be towed.**

Transportation

Overview

The Olympic View Neighborhood Greenway will provide a safer, calmer route to the places people want to go in the neighborhood and connect to the growing network of Neighborhood Greenways, trails, and protected bike lanes in Seattle. This Neighborhood Greenway has been planned in coordination with the Safe Routes to School Program and will provide a safer, more comfortable route for people walking and biking to Olympic View Elementary School. The planned Neighborhood Greenway route also connects to the existing Neighborhood Greenways on NE 83rd St and NE 103rd St.

WHAT IS A NEIGHBORHOOD GREENWAY?

Neighborhood Greenways are safer, calmer residential streets for you, your family, and neighbors. We make people walking and biking the priority. The Olympic View Neighborhood Greenway will include:

- Speed humps and cushions to calm traffic
- All-way stop signs with stop bars and crosswalks installed where NE 95th St and NE 96th St intersect 8th Ave NE
- Tree trimming if needed
- Wayfinding signs and markings

WHAT TO EXPECT DURING CONSTRUCTION:

Typical construction hours are weekdays, 7 AM to 5 PM, with occasional weekend and night work. Other expected construction effects may include:

- Temporary driveway impacts
- Noise and vibration
- Dust and debris
- Construction staging and parking impacts near the work sites
- Parking impacts
- Crosswalk and sidewalk closures, and detours for people walking and biking
- Roadway closures and detours for vehicle traffic
- Changes in construction schedule due to unforeseen circumstances (i.e., weather, soil conditions, etc.)

Olympic View Elementary Safe Routes to School and Maple Leaf Neighborhood Greenway
