

Sidewalk and Pavement Repair Coming to E Republican St & 16th Ave E as soon as July

PROJECT OVERVIEW

In preparation for the Lowell-Meany Greenway & School Safety Project, we will be repaving the block of E Republican St between 16th Ave E and 17th Ave E.

This work will include installing new curb ramps at the intersection of 16th Ave E & E Republican St and repairing curb and sidewalk near the intersection that have been damaged by uplifted tree roots. Our goal is to preserve as many street trees as possible with this project, but we may be required to remove any trees that pose a hazard to public safety once the street and sidewalk are repaired.

Starting as soon as Tuesday, June 25, crews will start exploratory excavation around the root system of the trees to determine whether tree retention is feasible. The community will be given notice of these decisions. This excavation is expected to take several days to complete.

If you would like to receive updates on construction or the Lowell-Meany Greenway & School Safety Project, please sign up for email updates on our webpage: <https://www.seattle.gov/transportation/lowell-meany>

SCHEDULE

Installation of curb ramps, sidewalk repairs, and curb repairs is expected to start as soon as July. When "No Park" signs go up, work will start soon. This work will last approximately 6 weeks. Schedule is weather-dependent and subject to change.

Thank you for your patience during this work!
