A Neighborhood Greenway is Coming to Your Neighborhood!

The following street improvements will begin as soon as next week (October 2023):

- Install speed humps/cushions on S Walden St between 34th Ave S and Cheasty Blvd S
- Stop signs with stop bars on sidestreets entering the Neighborhood Greenway
- Tree trimming and sidewalk smoothing
- Install signs and markings for wayfinding

We are excited to announce that we are **starting construction on the S Walden St Neighborhood Greenway from 34th Ave S to Cheasty Blvd S as soon as October 2023!** We will be installing the Neighborhood Greenway in stages, starting this fall and finishing in 2024.

When construction is set to begin, “no parking” signs will be placed along this street in certain locations. **Please move your vehicles during the “no parking” timeframes, otherwise it will be towed.**

Making residential streets safer and calmer for you, your family, neighbors and customers

A Neighborhood Greenway is Coming to Your Neighborhood!

Seattle Department of Transportation

Overview

This section of S Walden St from 34th Ave S to Cheasty Blvd S has been identified as a key component to the larger neighborhood greenway network, which will provide future connections to neighboring communities and schools. The S Walden St Neighborhood Greenway will provide a safe and pleasant environment for people who walk and bike in their neighborhood, to and from John Muir Elementary, and other community destinations.

What to expect during construction

Typical construction hours are weekdays, 7 AM to 5 PM, with occasional weekend and night work. Other expected construction effects may include:

- Temporary driveway impacts
- Noise and vibration
- Dust and debris
- Construction staging and parking impacts near the work sites
- "No Parking" areas and other parking impacts
- Crosswalk and sidewalk closures, and detours for people walking and biking
- Roadway closures and detours for vehicle traffic
- Changes in construction schedule due to unforeseen circumstances (i.e., weather, soil conditions, etc.)

What is a Neighborhood Greenway?

Neighborhood greenways are safer, calmer residential streets for you, your family, and neighbors. We make people walking and biking the priority. The S Walden St Neighborhood Greenway will include:

- Speed humps/cushions to calm traffic
- Stop signs for side streets crossing the neighborhood greenway
- 20 mph speed limit signs
- Signs and pavement markings to help people find their way
