

## Grinding on S Myrtle and S Othello streets begins this weekend, Saturday and Sunday, May 11-12; full road closure required

Starting as early as Saturday, May 11, crews will begin grinding the top several inches of asphalt on S Myrtle St and S Othello St between Beacon Ave S and Martin Luther King Jr. Blvd to prepare for paving (see map on next page). Work is scheduled for Saturday and Sunday the weekends of May 11, May 18, and June 1.

### You can anticipate:

- **Work hours from 6 AM on Saturday to 7 AM on Monday** as crews work to minimize daytime traffic disruptions.
- **Grinding to take about 3 weekends to complete** S Myrtle St and S Othello St between Beacon Ave S and Martin Luther King Jr. Blvd will be closed during work hours.
- **Crack Sealing, May 13 to 17**  
Crews plan to continue crack sealing in preparation for paving. Crews will also be doing electrical work at S Myrtle St and Beacon Ave S, and S Othello St and 39th Ave S.
- **Paving work**  
Scheduled to begin in June, following grinding work. This work is weather dependent. Once paving is complete, temporary striping will be installed.

### Actions for residents and businesses

- For your safety and the safety of our crews, keep away from the area while work is in progress, especially if you are with children or animals
- We realize the inconvenience this work creates and appreciate your patience. **Please contact the outreach team immediately if you have any accessibility needs or questions.**

### Traffic detour during weekend grinding:

- Traffic on S Myrtle St and S Othello St will be detoured to S Graham St and S Cloverdale St
- Limited turns to / from driveways where grinding is happening. Driveway access may be disrupted for 30 to 45 minutes as the grinding machine passes.
- Access to cars for people walking will be maintained when parked in driveways and on side streets; please use designated crossings for your safety and expect delays.
- King County Metro bus service will not run on S Myrtle St and S Othello St from 7 PM to 7 AM
- After grinding, there will be rough pavement and steel plates on the roadway
