

Noisy work and parking closed on 25th Ave NE scheduled to begin Thursday, March 7; expect driveway closures for up to 45 minutes

Starting as early as Thursday, March 7, crews will begin grinding the top several inches of asphalt on 25th Ave NE between Montlake Blvd NE and NE 65th St to prepare for paving (see map on next page).

You can anticipate:

- **Work hours from 7 AM – 7 PM Monday through Friday and 8 AM to 5 PM Saturday** while crews work to minimize disruptions as much as possible.
- **Grinding to take about 4 days to complete**
March 7 & 8 – crews plan to grind the east side of 25th Ave NE starting at Montlake Blvd NE and then move north to NE 65th St.
March 11 & 12 – crews plan to grind the west side of 25th Ave NE starting at Montlake Blvd NE and then move north to NE 65th St.
- **Clean-up after grinding**
Grinding work is noisy and dusty. After grinding each side of the road, crews will use street sweepers to clean up the work area.
- **Street repairs before paving**
Once crews have completed grinding and cleaning, they will assess the street base and make additional repairs, as needed. This typically takes a few weeks. Then crews will pave the street.

Actions for residents and businesses

- For your safety and the safety of our crews, keep away from the area while work is in progress, especially if you are with children or animals.
- We realize the inconvenience this work creates and appreciate your patience. **Please contact the outreach team immediately if you have any accessibility needs or questions.**

For updates on upcoming construction, sign up for our email updates via the form on our [project webpage](#).

Example of crews grinding the street

ON-STREET PARKING CLOSED ON BOTH SIDES OF THE STREET, 24/7 FOR NEXT SEVERAL WEEKS

- Please use driveways and side streets east of 25th Ave NE when trying to park
- Access to cars for people walking will be maintained when parked in driveways and on side streets; please use designated crossings for your safety
- Parking closure is in place to accommodate one lane of traffic each direction and due to upcoming base repairs along 25th Ave NE.

WHAT TO EXPECT

- A single lane of traffic in both directions will be maintained at all times
- Limited turns to / from driveways and side streets on the side of 25th Ave NE where grinding is happening
- Driveway access may be disrupted for 30 to 45 minutes as the grinding machine passes
- **After grinding, there will be rough pavement and steel plates on the roadway.**
