2018 Paving Projects - Northeast Seattle

Every year we take care of the basics and plan for the future by investing in a new group of Seattle's arterial streets. We've started planning for projects to be built in your neighborhood in 2018.

These projects will repave streets, creating opportunities to improve street safety and move people and goods more efficiently in a growing Seattle.

That's why we want to hear from you. Learn more about the projects and share your thoughts on getting around your neighborhood by **completing our online survey by September 14.**

[Visit **www.seattle.gov/transportation/paving.htm**](http://www.seattle.gov/transportation/paving.htm)

Also, next month, look for an invitation to our upcoming open house, where you can visit with us in person and see early concept plans.

Questions or comments? Contact Dawn Schellenberg at dawn.schellenberg@seattle.gov or (206) 684-5189. Translation services and accommodations available by request. Thank you.
