## BANNER WAY NE & NE 75TH ST SAFETY PROJECT

This project brings new safety measures such as: signage improvements, arterial traffic calming, street design changes, traffic signal modifications, pavement repair, and safety enhancements for people walking and biking. Come learn more about a new street design that builds off of input received at earlier community engagement.

This project is funded by the 9-year Levy to Move Seattle, approved by voters in 2015. Learn more about the levy at [www.seattle.gov/LevytoMoveSeattle](http://www.seattle.gov/LevytoMoveSeattle).
