# SW AVALON WAY & 35TH AVE SW PAVING & SAFETY PROJECT You're invited

## SW AVALON WAY & 35TH AVE SW PAVING & SAFETY PROJECT

We're planning to pave SW Avalon Way and a segment of 35th Ave SW as soon as 2019, following completion of the Fautleroy Way SW Boulevard Project.

Paving projects create opportunities to improve street safety and move people and goods more efficiently in a growing Seattle.

In addition to paving the street and striping lanes, potential project features include:

- Updating street design with consideration for people biking, walking, and taking transit
- Upgrading curb ramps to make sidewalks more accessible for everyone
- Repairing cracked and buckled sidewalks

At our meetings and online, we'll share street design concepts for community feedback.

### LEARN MORE & TELL US WHAT YOU THINK
