

CONSTRUCTION NOTICE

MARCH 2025

Denny Way Paving Project

PROJECT OVERVIEW

Construction begins on the Denny Way Paving project as soon as March 26. The Denny Way Paving Project will repave almost 12 blocks of Denny Way with aims to restore the pavement in this critical piece of Downtown Seattle and improve mobility while enhancing the overall travel experience for residents and commuters alike.

WORK INCLUDES

The Denny Way Paving Project improvements include:

- 12 blocks of asphalt paving
- 21 rebuilt curb ramps and 8 new curb ramps
- 8 total curb bulbs that shorten crossing distances including 4 paint-and-post curb bulbs at select intersections, a plastic curb and post bulb and 3 concrete curb bulbs
- 28 "no turn on red" signs
- 25 painted stop bars at every signalized intersection
- Sidewalk improvements
- Hardened centerlines reinforcing existing turn restrictions
- Bus stop changes to improve transit travel time and reliability

PROJECT MAP

The project is located along located on Denny Way from approximately 5th Ave to Stewart Ave and on Yale Ave from Denny Way to Howell St.

WHAT TO EXPECT DURING CONSTRUCTION

One lane in each direction will remain open on Denny Way at all times during the project. We do not expect to have detours off of Denny Way. The contractor plans to have active construction zones on Denny Way covering a few blocks at a time. The zone closures are expected to last 2-3 weeks each.

CONSTRUCTION WILL CREATE SHORT TERM CHANGES TO YOUR AREA

During construction, you may anticipate the following impacts:

- You may notice noise, dust, smell, and vibrations.
- You may need to change your walking route while we work on sidewalks, but we will provide signage for you to follow.
- Your business matters to us and we will provide advance notification of work and any impacts in person and provide you with a direct contact for questions. We will maintain access to your business at all times.
- You will notice work between 7 PM to 6 AM Monday-Friday, with some daytime and possible weekend work when needed.
- Some of your parking and loading areas may shift near work zones but we are working at night to reduce these impacts.
- If you are traveling along Denny Way, you may need to switch lanes around work areas. Signage will guide you on your journey.
