

## JOHN AND THOMAS CORRIDOR CROSSING IMPROVEMENTS

### Construction starting as soon as July 9

As soon as July 9\*, we'll start construction in the John and Thomas Corridor area. During this work, we'll install:

- New curb bulbs; these will be a mix of concrete and painted curb bulbs with white plastic posts
- New bus bulbs at some existing transit stops
- New marked crosswalks
- New pedestrian crossing beacons at E John St and 10th Ave E

In areas where new bus bulbs and curb bulbs will be installed, some existing parking may be removed. At E Olive Way at Summit Ave, the roadway will be permanently reduced to one lane in this segment of the road for the new bus bulb.

### Work description and schedule

*In some areas, crews will divide work into segments, starting with the southside of the street.*

#### E THOMAS & 21ST AVE E

**WORK:** Installation of ADA-compliant concrete curb bulbs and sidewalk

**DATES:** Early July to early August

#### E THOMAS & 20TH AVE E

**WORK:** Installation of ADA-compliant concrete curb bulbs and sidewalk and landscaping improvements

**SOUTHSIDE DATES:** Mid-July to early September, with landscaping improvements taking place during planting season later in the fall

**NORTHSIDE DATES:** Late August to mid-September

#### E THOMAS & 19TH AVE E

**WORK:** Installation of ADA-compliant concrete curb bulbs and sidewalk, and bus bulbs

**SOUTHSIDE DATES:** Late July to late August

**NORTHSIDE DATES:** Early September to early October

#### E THOMAS & 16TH AVE E

**WORK:** Installation of ADA-compliant concrete curb bulbs and sidewalk, bus bulbs, and a bus stop

**SOUTHSIDE DATES:** Early August to early September

**NORTHSIDE DATES:** Mid-September to early October

### WHAT TO EXPECT DURING CONSTRUCTION

- Typical construction hours on weekdays, 7 AM–3 PM
- Temporary lane, crosswalk, and sidewalk closures
- Detours for people walking and biking
- Parking and loading restrictions
- Noise, dust, truck activity, and vibrations

\* *Construction schedule is subject to change*

#### E OLIVE WAY & SUMMIT AVE E

**WORK:** Installation of ADA-compliant curb ramps, a marked crosswalk, bus bulbs, and a bus stop

**DATES:** Late September to late October

#### E JOHN ST & 10TH AVE E

**WORK:** Installation of ADA-compliant concrete curb bulbs and sidewalk, bus bulbs, a bus stop, and Rectangular Rapid Flashing Beacons (RRFBs)

**DATES:** Early October to late November

**See reverse for map.**

## PROJECT BACKGROUND

We're increasing the visibility of people walking and biking at intersections without traffic signals, improving safety along this busy street served by King County Metro bus routes 8 and 10 and Sound Transit's Capitol Hill light rail station. This project was selected by the Levy to Move Seattle Oversight Committee in 2016 for funding through the Seattle Department of Transportation's (SDOT) Neighborhood Street Fund (NSF) program. The NSF program funds projects requested by the community.

## DO YOU NEED THIS IN ANOTHER FORMAT?

We're building a transportation project proposed by your neighbors to make it safer for people walking and biking and to strengthen community. To learn more about the project or request translations, call (206) 733-9361.
