

FACT SHEET

HAWTHORNE ELEMENTARY & S GENESEE ST SAFER COMMUNITY PEDESTRIAN CONNECTIONS

April 2018

PROJECT BACKGROUND

This spring, the Seattle Department of Transportation (SDOT) will improve crossings for people walking and biking at five locations in the Mt Baker and Columbia City neighborhoods. These improvements reduce crossing distances and increase visibility at intersections for people walking and biking.

In 2016, the Hawthorne Elementary and S Genesee St Safer Community Pedestrian Connections project was one of 12 selected by the Levy to Move Seattle Oversight Committee to be funded through SDOT's Neighborhood Street Fund (NSF) program. The NSF program funds projects requested by the community.

PROJECT ELEMENTS

- Adding crossing beacons at the existing marked crosswalk at S Genesee St and Cascadia Ave S
- Constructing curb bulbs at the intersections of:
 - S Dakota St and 38th Ave S
 - S Conover Way and 42nd Ave S
 - S Angeline St and 38th Ave S
- Constructing a missing piece of sidewalk leading from S Snoqualmie St and 42nd Ave S up to the park pathway

The project supports parking restrictions within 20 feet of a pedestrian crossing, improving sight distances.

PROJECT BENEFITS

- Safer pedestrian and bicycle connections in the neighborhood
- Safer routes to school for students
- Shorter crossing distances and increased visibility at intersections for people walking and biking

Looking northeast from the southeast corner of the intersection of S Genesee St and Cascadia Ave S

PROJECT LOCATION

WHAT'S HAPPENING NOW?

- We've finalized project design
- We expect construction will begin as soon as mid-May
- You can expect typical construction impacts such as dust, noise, and truck activity
- We'll follow up with adjacent neighbors in advance of construction
