S JACKSON ST CORRIDOR IMPROVEMENTS

March 2017

PROJECT BACKGROUND

The Seattle Department of Transportation (SDOT) will make improvements along S Jackson St between 20th Pl S and Martin Luther King Jr Way S to enhance pedestrian safety, improve connections and efficiency, and help make this part of the S Jackson St neighborhood's "Main Street." In 2016, the S Jackson St Corridor Improvements project was one of 12 selected by the Levy to Move Seattle Oversight Committee to be funded through SDOT's Neighborhood Street Fund (NSF) program. The NSF program funds projects requested by the community.

WE WANT TO HEAR FROM YOU!

Email us at NSFSJackson@seattle.gov to let us know:

- What is your experience along S Jackson St between 20th Pl S and MLK Way S when you are walking? Biking? Driving?
- What else would you like us to know about how you use this area and the improvements you would like to see?
- Do you have any recommendations for how to keep people up-to-date about the project?

FUNDING

Funding comes from the 2015 voter-approved, nine-year Levy to Move Seattle, which will improve safety for all travelers, maintain streets and bridges, and invest in reliable, affordable travel options for a growing city. The levy includes \$24 million to continue the Neighborhood Street Fund program over the next nine years.
