Steering Committee Meeting #15

5/24/2022

Our Vision, Mission, Values, & Goals

Seattle is a thriving equitable community powered by dependable transportation. We're on a mission to deliver a transportation system that provides safe and affordable access to places and opportunities.

Core Values & Goals:

Equity, Safety, Mobility, Sustainability, Livability, and Excellence.

Agenda

- Welcome & introductions
- Project updates & discussion
- Logistics & next steps

Welcome & introductions

- One person speaking at a time (and speak clearly)
- ...
- Most importantly, all perspectives are valid and important and belong in this conversation

Project updates

- Demand remains high, have received over 800 requests
- Yellow Cab, Uber, and Lyft all on board
- Have fulfilled most requests, but there are still ~150 people waiting for Yellow Cab vouchers (mailing out this week)
- Still some issues with Yellow Cab drivers not accepting vouchers
- Have distributed \$58,000 in vouchers, but only \$14,000 (25%) have been used
- 10-40% of riders using their vouchers (depending on provider)
- Would like to extend pilot through June 30 to redistribute unused vouchers

Discussion: Who do we prioritize?

Options:

1. New requesters (leave request form open)
2. People who have already requested vouchers:
 - Who have yet to receive any
 - Who have received some but not full \$120 value
 - Who have received full \$120 value
3. Community Liaisons, to distribute to their 5-10 clients from March/April
4. Partner organizations, to distribute to their clients:
 - Who have yet to receive any
 - Who have received some but not full \$120 value per person
