STAY HEALTHY STREETS

Delridge and Highland Park Neighborhoods: 21st Ave SW

About this project
Stay Healthy Streets are an important tool for Seattleites to get outside, travel to grocery stores, pharmacies, and local businesses, and get exercise. They make it possible for people to walk, roll, and bike in the street while staying 6 feet apart during the COVID-19 pandemic. Installed as part of our emergency response to the pandemic in 2020, they also provide an opportunity for you to consider how they might improve your community long-term.

How was my street selected?
• We considered existing Neighborhood Greenways, which have traffic calming like speed humps, improvements to make it easy to cross busy streets, and have gone through a community engagement process.
• We looked at things like housing, equitable geographic coverage across the city, and neighborhoods impacted by COVID-19.

What is next?
We are collecting community input to help decide if the shared street you live on or near (see map on the back) should be made permanent or not. Permanent streets could be used for having outdoor potlucks and celebrations with your neighbors, art projects, sports, and traffic gardens along with travel and should support your community’s values.

To remove confusion when students are dropped-off and picked-up at Sanislo Elementary School as soon as March 1 we are proposing:

Removing these sections of the Stay Healthy Street:
• 21st Ave SW from SW Graham St to SW Myrtle St
• SW Myrtle St from 21st Ave SW to 17th Ave SW
• 17th Ave SW from SW Myrtle St to SW Webster St
• SW Webster St from 17th Ave SW to 16th Ave SW

Adding a new section of the Stay Healthy Street:
• 18th Ave SW from SW Webster St to SW Myrtle St

Please let us know what you think by February 26, 2021
• Take our survey www.surveymonkey.com/r/8F9GMKV
• Call (206) 684-7623
• Email delridgestayhealthystreet@seattle.gov

Schedule
• January and February 2021: Hear from people who live on or near Stay Healthy Streets
• March 2021: SDOT team will share final decision on West Seattle Stay Healthy Streets
STAY HEALTHY STREETS

Delridge/Highland Park
