HEALTHY STREETS AND SCHOOLS

West Seattle Elementary School

West Seattle
Elementary School
is on a Healthy
Street that is open
for students and
adults walking,
rolling, and biking
and closed to pass
through traffic.

What is a Healthy Street?

Healthy Streets are open for people walking, rolling, biking, and playing and closed to pass through traffic.

In response to the COVID-19 pandemic, some neighborhood greenways were upgraded to Healthy Streets and opened to people walking, rolling, and biking. These streets have enhanced safety features like speed humps, stop signs, and crossing improvements at major streets. Like any residential street, pass through traffic is discouraged, but local access, deliveries, waste pickup and emergency vehicles are allowed.

How can I use a Healthy Street when taking my child to and from school?

- When possible, walk, roll, or bike with your child on the Healthy Street
- If you must drive to school, try parking 1 block away and finishing the trip on foot to avoid driving on the Healthy Street
- If you must drive on the Healthy Street, use extra caution, expect children and adults in the street, drive slowly, and limit driving on Healthy Streets to one block or less
