Rainier View HOME ZONE

WHAT'S HAPPENING?

Rainier View community members will host Seattle Department of Transportation (SDOT) representatives on a series of community events. Please attend a bar-bque or dog walk and share you concerns about traffic and pedestrian safety.

WHAT IS A HOME ZONE?

A home zone involves the entire neighborhood working together to prioritize improvements that calm traffic, improve pedestrian mobility and improve neighborhood livability.

JOIN US FOR A CLEAN-UP, BBQ OR A DOG WALK (dogs not required)!
