

# SCHOOL STREETS

## Washington Middle School

To improve safety, we're converting 20th Pl S to a School Street that is **open** for school buses and people walking and biking and **closed** to through traffic (including school drop-off and pick-up).

### Where should students get dropped off instead?

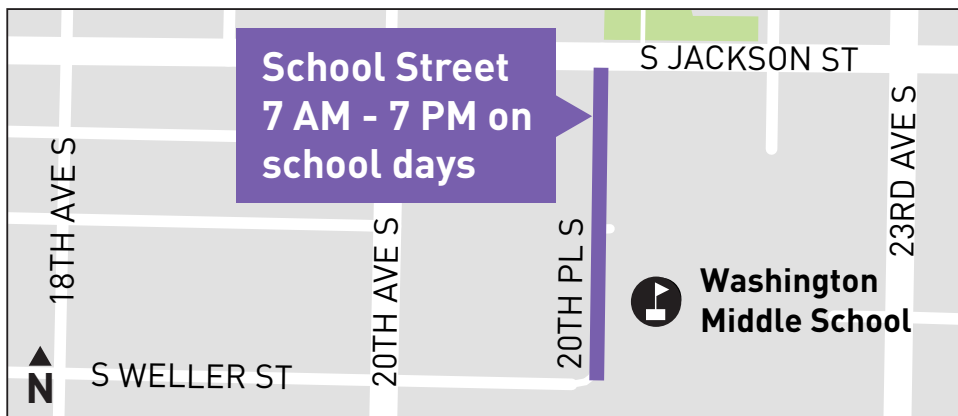

Contact us for resources to support walking, biking, and taking the school bus or public transit to school! If you need to drive, consider parking a block or two away and walking in.

**LOCAL ACCESS ONLY FOR:**

- Residential access
- District provided transportation/ADA
- Local deliveries
- Non-motorized
